

Veltrixora Audio Accessories Warranty Policy

Company: Veltrixora Consumer Labs Pvt. Ltd.
Policy ID: VCL-AUD-WTY-2026-04
Effective Date: 01 May 2026
Document Type: Synthetic warranty and claim policy for RAG testing

This policy describes warranty, replacement, and exclusion conditions for headphones, earbuds, neckbands, speakers, and charging cases.

Important demo notice: This document is fully fictional and created only for ClaimMate AI testing. It is not a real company policy, warranty promise, consumer advice, or legal document.

1. Warranty Period

Wired headphones and neckbands are covered for 6 months from invoice date against manufacturing defects.

Wireless earbuds, speakers, and charging cases are covered for 12 months from invoice date against manufacturing defects under normal use.

2. Covered Issues

Covered issues may include no audio output, one side not working without wire cut or physical damage, charging case not charging due to internal fault, microphone failure, or Bluetooth pairing failure after reset.

The product may be replaced instead of repaired depending on inspection outcome and stock availability.

3. Exclusions

Warranty does not cover wire cuts, broken earbuds, damaged mesh, water damage, missing charging case, lost accessories, cosmetic scratches, or damage caused by rough handling.

Sweat resistance or water resistance does not mean waterproof protection unless explicitly written in the product certificate.

4. Replacement and Return

If the product is defective within 7 calendar days of delivery and original packaging is available, the customer may request replacement review.

After 7 calendar days, the issue is processed as a warranty inspection request.

5. Required Documents

Document	Purpose
Invoice copy	Warranty date verification.
Serial number or product code	Product verification.
Issue video	Useful for intermittent audio or charging issues.
Original packaging	Required for early replacement review.
Service report	Required if already inspected.

6. Claim Process

A claim request must include product category, purchase date, invoice copy, product serial number or IMEI where applicable, and a short description of the issue.

The claim team may request photos, videos, diagnostic screenshots, service request number, or inspection report depending on the issue type.

Approval is subject to policy conditions and inspection outcome. This document does not guarantee approval for every claim.
